

1. SESSION SNAPSHOT (22 September 2026)

- Lecture covers the important current affairs up to the morning of 22 Sept. Style of questions: **match-the-following** and one-liners, the same pattern as the Karnataka Police paper and the expected SSC CGL pattern.
- It is **Budhwa Mangal** - a big fair at Panki Dham, Kanpur. CGL exam dates are being announced one by one; check your own date.
- A student from Jharkhand (a batch member) cleared the DEVYU exam in his **first attempt** - the previous day's result.
- Thought of the day:** when you photograph the moon you never say the moon is ugly - you say the camera could not capture its beauty. Likewise, do not judge life by what is visible now; you can make it better, but only through hard work.

Social issues discussed

- A viral **Bihar** video: a Class 10 boy and girl on a scooty were harassed. The boy did not abandon the girl and ran away - that in itself was a big thing. Police cannot follow every person; the real problem is our **mindset**.
- Also a case of rape of a **6-year-old in Delhi**. Many schemes exist for girls, but are they safe enough to use them?
- Advice:** girls should learn **self-defence** (Taekwondo, Karate, Judo); start training at age 4-5. A job matters, but so does your life and safety. Be capable of getting out of any situation yourself.

2. WORLD - RUSSIA vs UKRAINE (Drone attack on Moscow)

- Ukraine launched a large drone attack on **Moscow**: about **1,600 drones** were reportedly sent; Russia says about **450** were destroyed. The drones are **long-range**, can also carry small missiles/bombs.
- Worst-hit target: a **Moscow oil refinery** and surrounding areas were badly damaged. Expectation in class: Russia will not stay silent and will retaliate - watch this space.
- War background: Russia-Ukraine conflict began in **2022**, right after the Winter Games ended. Ukraine feels backed by the **USA** and **NATO** although Ukraine is **not a NATO member**.
- NATO:** 32 member countries; created against the **USSR**. NATO members are on alert that Russia could attack. Class remark: US President **Donald Trump** is shown as the leader of the bloc.
- Trump met **Putin in Alaska** and said the war would stop - instead the fighting has **doubled**.

3. DEFENCE - EXERCISES**SLINEX 2026 - 13th edition (Navy)**

- SLINEX** = SL (Sri Lanka) + IN (India) + EX (exercise): a **bilateral maritime (naval)** exercise between **India and Sri Lanka**.
- Hosted by the Navy's **Eastern Naval Command at Visakhapatnam (Vizag), Andhra Pradesh**.
- Indian ships: **INS Kavaratti** and **INS Jyoti** (spoken as 'Kabarti'). Sri Lankan ship: **SLNS Sindurala**.
- First held in **2005**; this is the **13th** edition (it is not yearly - no exercise for about 3 years during COVID).
- Yudh Abhyas** - India-USA **Army** exercise, currently ongoing.

Exercise	Countries / Service
Mitra Shakti	India - Sri Lanka (Army)
Ekuvirin	India - Maldives
Dosti	India - Maldives - Sri Lanka
Mitra (as heard) (verify)	India - Thailand - Indonesia
Cyclone	India - Egypt (Army)
PASSEX	Passage exercise: Egypt (now), Brazil, Russia, Greece (first)

Note

- Class note on ship names: a naval ship is 'INS' (Indian Naval Ship). If asked 'what is INS' - Indian Naval Ship.

4. DEFENCE - INS TRISHUL IN EGYPT (Port call)

- INS Trishul** made a **port call (friendly visit)** at **Alexandria, Egypt** from **14 to 17 September**.
- Ship facts: a **Talwar-class guided-missile stealth frigate**, built in **Russia** (not made in India). It carries the **BrahMos** supersonic cruise missile: normal range **290 km**, extended up to **450 km**.
- Egyptian ship taking part: **Qader** (spoken as 'Kadir'). An **India-Egypt PASSEX** is being held here.
- The crew also pays tribute at the **Chatby war memorial** (spoken as 'Chat Bay') in Egypt for about **19-20 Indian soldiers** who died when an Indian ship sank in the Mediterranean.
- PASSEX earlier: Brazil, Russia, and (first time) Greece. India-Egypt army exercise is **Cyclone**.

Geography behind the news

- Egypt** - capital **Cairo**; the **Nile** flows through it. The Nile is formed by the **Blue Nile + White Nile**, which meet in **Sudan**; it makes a **delta** near **Alexandria** (named after **Alexander**) on the **Mediterranean Sea**.
- Next to Egypt: the **Sinai Peninsula** and the **Suez Canal**.

5. ENVIRONMENT - PROJECT CHEETAH / GANDHI SAGAR

- A female cheetah from **Botswana** was released into **Gandhi Sagar Wildlife Sanctuary** on **Radha Ashtami**, hence the name **Radha** (original tag **CCB2**). Renamed by **MP CM Mohan Yadav**.
- Gandhi Sagar now has **2 males + 2 females**. Aim: to increase the cheetah population in India.
- **Gandhi Sagar**: on the **Rajasthan-MP border**, **Mandsaur district**, on the **Chambal river**; declared the **second home of cheetahs in April 2025**. Vegetation: **tropical dry forest** (Rajasthan + MP; if only MP it would be dry deciduous).
- **Project Cheetah**: launched **17 September 2022** at **Kuno National Park (MP, Kuno river)** by **PM Modi**. Cheetahs came from **Namibia, South Africa and Botswana**.
- **Total cheetahs in India = 56** (an estimate of 52, then 4 cubs born to a female called 'KGP' in class).
- Locations to remember: Kuno (MP), Gandhi Sagar (Rajasthan-MP border), Ranthambore (Rajasthan), Bandhavgarh (MP).

6. ECONOMY / TECH - ASIA'S FIRST TELECOM MANUFACTURING HUB

- Location: **Gwalior, Madhya Pradesh** (famous for the **Tansen Samaroh** and **Gwalior Fort**). Total investment: **Rs 5,500 crore**.
- Announced by the **Ministry of Communications - Jyotiraditya Scindia** (he is also the North East Development Minister).
- **Hub** = a place with high population where one product is concentrated (coffee hub, education hub). Here it means mobile parts - SIM, batteries, chips and devices - will be manufactured.
- Linked to the scheme running **till 2030-31** (class called it the **Mobile Manufacturing Scheme**, aimed at Make in India so we need not import phones).
- **24 companies** will take part; about **18,000 direct jobs** claimed (class was sceptical). A **120 km direct route between Agra and Gwalior** will connect to Delhi.

7. GEOGRAPHY**Cyclone ARNAV (Bay of Bengal)**

- A cyclone is forming in the **Bay of Bengal**; expected to strike around **23-24 September**.
- Name given by **Bangladesh**; **Arnav** means **sea / ocean**.
- Indian states affected: **3 - West Bengal, Odisha, Andhra Pradesh**; also **Andaman & Nicobar**. Odisha is the state most hit by cyclones.
- Why now: in **Sept-Oct** the monsoon **retreats** and becomes the **North-East monsoon**; a **low pressure** forms over the Bay. Cyclone **eye = centre = low pressure**; surroundings = high pressure.

- Result: **cyclonic rainfall**; damage to crops, vegetables, fruits and livestock. Indian cyclones are **tropical cyclones** moving **east to west**.

Great Plains of India (MCQ concept)

- **Bhangar** (older alluvium), **Bhabar**, **Khadar** (newer alluvium), **Terai**.
- **Bhabar** = belt where rivers coming down the mountains drop their material; it has **pebbles and gravel, not silty soil** - so the statement of silty soil for Bhabar is the incorrect match (answer: B).

8. POLITY**Advocate General (Karnataka Police paper question)**

- Appointed by the **Governor** under **Article 165**; **Chief Law Officer of the State**; has the right to speak and take part in the proceedings of any House of the state legislature.
- The wrong statement was the one saying a **fixed 5-year term** (answer: **D** in the 'incorrect' question). Do not confuse with the **Attorney General** (first law officer of the Centre, **Article 76**); the **Solicitor General** assists the AG.

Whip and ministers

- **Office of the Whip** in Parliament is not in the Constitution or the party manifesto - it rests on **conventions** (answer A). The whip is a party 'monitor' who ensures members follow the party line (class example: Amit Shah).
- **Individual responsibility** of ministers to the President: **Article 75(2)**.

9. SPORTS**Savita Punia - India's most capped woman hockey player**

- Hockey **goalkeeper**, nicknamed the '**Wall of India**' (the teacher joked Rahul Dravid is the other Wall).
- Reached **321 caps** on **21 September 2026**, overtaking **Vandana Katariya (320)**, who has retired (Vandana was Uttarakhand's brand ambassador for Beti Bachao Beti Padhao).
- Match: India vs **Uzbekistan**, won by a huge margin (spoken as '190'; likely 19-0) (verify).
- Also: **Zaheer Khan** is the new coach of **CSK**.

20th ASIAN GAMES - Aichi-Nagoya, Japan

- **20th edition**, in **Nagoya, Japan**; ends on **4 October**. Mascot: **Honohono** (spoken as 'Hono Hon'). **43 sports, 17,000+ athletes**; **China** is first in the medal table.
- India: **6 medals** so far (**4 silver, 2 bronze**); **5 from shooting** and **1 from MMA**; India ranked **12th**.
- **Suchika Tariyal - bronze in MMA (60 kg women)**; lost the semi-final to a Singapore fighter. First time India has been represented in martial arts (MMA) at the Asian Games.
- **Varun** - men's **MMA 77 kg**; weight fluctuated, he stopped eating, felt dizzy, a Nepal athlete helped

him and he was declared **unfit** (compared to Vinesh Phogat's case).

- **Controversy:** Japan built **no central athletes' village**; training, hotels and food are in different places. Indian athletes waited **13-14 hours at the airport**. Japan said it expected about 15,000 athletes but more than 17,000 came.
- **White elephant** = costly infrastructure (like a big village) that has no use after the event. Japan avoided it; compare Delhi's **CWG 2010** village.

10. SUMMITS, SURVEYS AND DAYS

International conference on environment

- Theme: **'The Future of Environment and Climate Dynamics'**; held at **Vigyan Bhawan, Delhi**; inaugurated by **PM Modi**; organised by the **Ministry of Environment (Bhupender Yadav)**.
- **President Murmu** (spoken as chief/head of the event); **Attorney General R. Venkataramani** was present; **17 countries** participated. (Class said this may not come in the exam.)

Periodic Labour Force Survey (PLFS) - PIB data

- Released by the **Ministry of Statistics**. Two indicators: **LFPR** (Labour Force Participation Rate) and **WPR** (Worker Population Ratio).
- **Unemployed** = a person **willing to work** but without work (someone who does not want to work is not unemployed).
- In about **98% of districts** the range is **40-80%**. Top: **Surat** - LFPR **68.6%**, WPR **67.8%**.
- **Lowest unemployment** places: **24 Parganas (West Bengal)** and **Araria (Bihar)**.

International Day of Peace - 21 September

- Theme: **'Invest in Peace for Everyone, Everywhere and Everyday'**.

11. CLASS ANNOUNCEMENTS

- A recorded session on the new criminal laws (**Bharatiya Nyaya Sanhita, BNSS, BSA**) will be available **tomorrow at 5:00 AM** (recorded, not live); PPT is ready. Only 1-2 questions come from BNS in CGL.
- Homework is to be answered in the comments. Current affairs magazine and book on Flipkart/Amazon; class PDFs on **Telegram**. Paid batches: code **KRITI10**; **Super Pass Live** covers about 300 batches. Next session at **11:00 AM**.
- **UP split into four parts?** Heard in the news, but **no government declaration** yet; wait for official articles.
